Spring/Summer 2018

A MESSAGE FROM MAYOR RALPH A. SCORDINO

Happy Spring to all! While we may have been on a weather roller coaster this past winter and early spring, I think its safe to say the best is ahead of us weather wise. Once again, our Babylon Village maintenance, sanitation and DPW crews worked throughout the winter ensuring our roadways, sidewalks and municipal parking lots were as safe and accessible as possible. Kudos for their diligence and effort. The welcome sights of spring and summer abound. The E. Donald Conroy Golf Course is in excellent condition and opened for play March 31st and the Village Pool is in better shape than ever, opening for the season on **June 22nd**.

Our annual *Little League Parade* kicked off baseball season on April 14th with players marching in balmy 60 degree plus weather. Our playing fields are in terrific shape, thanks to the combined efforts of Skip Gardner, our Village Highway Crew and many dedicated volunteers. Thanks also to our little league volunteers for laying down the clay and sod. Stroll down one afternoon and catch some of the action. It's quintessential small-town living at its best.

The Village celebrated Earth Day a bit early with April 21st cleanups occurring at several sites that help improve our local waterways. Thanks go to the Save the Great South Bay organization for organizing the cleanups.

Ongoing improvement projects continue throughout our Village, with more scheduled to start shortly. Our Greenhouse is in "full bloom" with over 12,000 plantings scheduled throughout the Village for everyone to enjoy. Brackets for the flowering baskets have been newly painted and the September 11th Memorial Garden will feature some new plantings, as well as additional updates to various flower beds and gardens. Special thanks to our "Greenhouse Ladies" for all their hard work. Their enthusiasm and efforts help keep Babylon Village a beautiful place to live.

Skip Gardner and his crew have been rebuilding drains on many Village roadways and drainage improvements and paving on Locust Avenue from Route 109 to Livingston Avenue has been completed. In addition, new Smart Sponge boxes continue to be installed throughout the Village to aid pre-treatment of rain water. Resurfacing and drainage improvements are planned from N. Carl Avenue to Depot Place.

Our Village is one of Long Island's most picturesque and I urge all our residents to enjoy its beauty and many activities. We've worked hard through the years to create a pedestrian-friendly, safe and walkable community for residents and visitors. Take a stroll through our vibrant downtown, visit the *Sunday Farmer's Market* beginning **June 3rd**, shop locally and enjoy the numerous entertainment and recreation opportunities Babylon offers. Come down Friday nights and enjoy the Summer Concert Series at the Village Gazebo, spruced up with new paint and flooring. The upcoming 12th Annual *Dirty Sock Run* sponsored by our local Rotary Club will take place on **August 12th** along the greenway from Park Avenue through Southards Pond to Belmont State Park. The Rotary and Hapi Auer hope to exceed last year's number of participants as proceeds benefit our Village food pantries.

I'm excited to announce that the Argyle Theatre opened its doors on April 21st after much anticipation. This Main Street venue will provide entertain for residents and visitors alike and is a welcome addition to our diverse and thriving downtown.

Please stop by the upcoming Coffee and Conversation with the Mayor on **May 5th**. I am always eager to speak with Village residents and listen to any concerns, ideas or insights regarding Babylon Village.

Babylon Village has just had its 5th migration of Alewives since 1889. The Alewife is a fish of integral importance to the Great South Bay's delicate ecosystem. We are working to live stream the cameras that have been placed at the Alewife ladder (just west of the waterfall at Argyle Lake) so that students and other interested Suffolk County viewers can witness the migration of the Alewives. This migration is another exciting sign that many of the Village's environmental protection programs are succeeding and thriving

On behalf of the Village Trustees - Kevin Muldowney, Anthony Davida, Deborah Basile and Mary Adams - I send good wishes for health, happiness and humor to all. Let us know of any concerns you may have regarding the Village. Your comments are always appreciated and your ideas always taken under consideration. We will continue to work tirelessly to ensure Babylon Village is the best it can possibly be.

CONKLIN HOUSE NEWS...

Trustee **Debbie Basile** reports that several cultural and educational events were offered at the Conklin House during the winter months including their annual *Christmas at the Conklin House*, *Annual Cookie Contest* and *Picture Perfect Christmas*.

Dinner for Eight was held on Saturday, March 24th and the lucky winner was Rose Norman who invited seven of her friends. They enjoyed appetizers in the Victorian Parlor and a four-course dinner in the Gathering Room consisting of salad, chicken cordon bleu, twice baked potatoes and dessert. This year's raffle winner was Frances Biero who took home a wine rack and wine.

The annual *Afternoon Tea* was held on Sunday, April 22nd, and once again this popular event sold out. The group enjoyed savory and sweet treats all prepared by members of the Conklin House Steering Committee aka Conklin Caterers, as well as a variety of specialty teas. Attendees also listened to guest speaker Mary Cascone, Babylon Town Historian, talk about what Babylon Village was like in 1803 when the Conklin House was built. Many thanks to our chairpersons Ginger Behrens and Jeanne Kugler.

Be on the lookout as plans are in the works for a casual summer celebration on the Conklin House lawn. A date will be announced shortly.

Information on Conklin House events, including the *Annual Apple & Arts Festival* will be available in The Beacon as details are finalized. The Apple & Arts committee is accepting donations of jeans and shirts (men, women and children) for scarecrow making. When spring cleaning, please consider donating whatever you are throwing out by contacting the Conklin House at [631-669-8164](tel:631-669-8164).

To be added to our "Events Alert" mailing list to get information on all upcoming Conklin House events, please send a request via email to conklin-house@yahoo.com or call [631-669-8164](tel:631-669-8164).

VILLAGE GOLF NEWS

Trustee Kevin Muldowney reports that the E. Donald Conroy Golf Course at Sumpwam's Creek opened on March 31st after mother nature dropped a number of Nor'easters on us. However, superintendent Tom Steffan and his crew have managed to get the course back in great shape and ready for play.

Last year was very successful for the course as more people are realizing that Sumpwam's Creek is a great place to work on their short game or launch their golfing careers. We now have as many as five area schools using the course for practice sessions and Junior Varsity matches. We are also looking forward to once again hosting the Junior PGA's Metropolitan Group's annual junior tournament in June, when youngsters from all over the New York metropolitan area compete.

The women's league begins their 18th season this year while the men's league starts its 15th season and the Wednesday evening league commences its third season. The leagues continue to thrive, with all groups growing in membership and adding various outings and tournaments to their schedules. Anyone interested in joining any league can contact the golf course.

Gift certificates are available and make wonderful Mother's Day and Father's Day gifts. They can be purchased at the Pro Shop or at the Clerk's Office at Village Hall.

Mike Reilly, our local pro, will be back for his fifth season and will be providing lessons and clinics during the course of the year. He will also be holding his junior clinic during the summer. You can come by the course and pick up the latest information on all of his programs or register online at www.longislandgolfcamps.com. Mike can also be reached at [631-839-1523](tel:631-839-1523).

All senior citizens receive a \$2 greens fee discount on weekday mornings from Monday to Thursday. For all golf course information call Sumpwams Creek at [631-669-2340](tel:631-669-2340).

The very popular Village Farmer's Market returns to the northern parking area of the Babylon train station. Each Sunday from 8 a.m. until 1 p.m. from June through November, the market features local businesses offering a wide selection of vegetables, jellies, jams, pickles, sauces, plants and much more.

This is a terrific opportunity to purchase farm fresh produce and other Long Island-made goodies while supporting local agriculture and business.

AROUND VILLAGE HALL

2018 TAX RATE

Mayor Ralph Scordino reports the Village Board of Trustees will not increase the tax rate for the fiscal year beginning June 1, 2018. *Tax bills will be mailed on or about May 11th. If you do not receive your bill and your mortgage company does not escrow for payment, call The Tax Receiver's office at [631-669-1500](tel:631-669-1500). If you recently purchased property, call the Tax Receiver's office as it takes a few months once the deed is recorded to receive the change of ownership from the County Clerk's office. Taxes are due June 1, 2018. Check the legal notice in THE BEACON or visit our website in May for a more detailed explanation.*

NEWS FROM THE VILLAGE CLERK'S OFFICE

Landscapers: All landscapers working in Babylon Village must obtain a permit ANNUALLY to ensure they are aware of Village rules and regulations. Applications are available at the Village Clerk's office and on our website. *Possession of a permit is NOT a recommendation by the Village as to the quality of the work a landscaper will perform.*

It is the responsibility of property owners to make sure any contractors hired are properly insured. It is suggested you obtain a certificate of insurance showing coverage.

When you or your landscaping service use a broadcast spreader, please make sure no material is spread into any bodies of water. Also, all fertilizer should land on grass and garden areas not on sidewalks and streets where it will wash into drains. High levels of nitrogen, abundant in fertilizers, are harmful to aquatic life.

BUILDING DEPARTMENT NEWS

The Building Department reminds all Village residents of the following important regulations:

- Boat storage is not permitted on residential property after April 1st.
- Self-locking gates and alarms are now mandatory for all pools in the Village of Babylon.
- **Pumping swimming pool water into streets or street drains is prohibited.**
- All new and altered driveways require Planning Board approval.

For all questions regarding Village building code issues, please contact the Building Department at [631-669-1300](tel:631-669-1300).

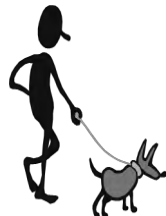

TREE PLANTING PROGRAM

Babylon Village offers residents a Street Tree Planting Program. **Trustee Mary Adams** reports the 2017 program was a huge success and reminds residents that applications for the 2018 Tree Planting Program are being accepted up to **September 21st** and can be obtained through the Mayor's Office. Residents are required to complete an application to request trees to be planted at the curb line in front of their homes. For further information, please call [631-669-1212](tel:631-669-1212).

DOG OWNERS... Please remember there are two enclosed dog runs in the Village: one is behind the south Little League ball field on Locust Avenue and the other is on George Street.

Free doggie bags and disposal receptacles are provided at each location. Dog walkers are asked to help keep our Village clean by picking up after their pets and properly disposing the waste.

BABYLON VILLAGE VOLUNTEER CORPS

Trustee Mary Adams reports that the Babylon Village Volunteer Corps is on the move! With 45 volunteers, the BVVC shoveled over 20 homes this snow season and assisted a few of our elderly and in-need residents. Spring is here! Needs some help with weeding, gardening or planting? Do you know someone who could use a "helping hand" or just needs someone to talk to? The BVVC is ready to help! Contact directly at 631-649-5490 or email bvvcorps@gmail.com

SANITATION DEPARTMENT NEWS

Please help us better serve you by noting the regulations below. If you have questions about these issues, please call the Village Sanitation Department at [631-669-4878](tel:631-669-4878).

Yard Waste (leaves, plant clippings, - anything that grows) should be separated from all other rubbish and placed in a clear plastic bag for a separate pick-up on your regular rubbish day. This is mandated from Babylon Town, which runs the landfills we use. There can be no plastic pots, plant tags or other non-green contaminants in yard waste bags or the bags will not be accepted and left at the curb.

Metal Objects When putting out metal objects for pick-up **you must call ahead** to advise the Sanitation Department that your item(s) will be out. These include refrigerators, washers, dryers, treadmills and BBQ grills.

Place your rubbish between the sidewalk and the curb not earlier than 6 p.m. the evening before nor later than 7a.m. the morning of collection day, and remove empty containers from the curb. **There is no garbage collection or recycling of any kind on weekends and holidays.** When rubbish or recycling collection falls on a holiday, please do not put items out for pickup until your regularly scheduled day the following week.

Residents are responsible for any debris left in the street or at the curb by their landscaping companies. Any leaves or other debris left behind, should be bagged by the resident and placed in your yard until your regular rubbish

S.T.O.P. AND SHRED SET FOR SEPTEMBER 22nd

The next S.T.O.P. (Stop Throwing Out Pollutants) Day is scheduled for **September 22nd** at the Village Sanitation Department from 9 a.m. until noon. Residents may drop off acceptable household pollutants: latex and oil-based paints, car batteries, household cleaners, laundry products, used motor oil and other items. In addition to household pollutants, September 22 also offers residents the chance to protect their identity and personal information by bringing down papers and documents for secure shredding.

The Village will dispose of all STOP materials and shredded paper according to environmental codes.

BABYLON FUN FACT...

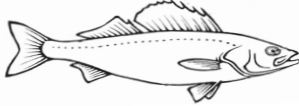

Not sure about the impact paper shredding has on the environment? Just take a look at the numbers below from the April 7th paper shredding event in which 100 residents participated, saving in total:

29.75 Trees
3.5 Barrels of Oil
105 lbs. of Particulate Air Pollution
7175 Kilowatts of Electricity
5.6 Cubic Yards of Landfill
Pretty Impressive!
