## Update Regarding Physical Race

Due to the current situation the Dirty Sock 10K is a virtual event. We are exploring all possibilities to host an in-person event. All registrants will be notified if this the case and social distance practices will be in place in accordance with state and local guidelines.

**EARLY REGISTRANTS** (before 8/8) can start posting times 8/9 - 8/16.

**LATE REGISTRANTS** (after 8/8) allow up to 24 hours to post times.

**BIB MAILING** begins 8/4. Please allow 3-5 Business days to receive.

You don't need the bib to run/walk, it's a keepsake!
