FITNESS INCENTIVE located at
157 Deer Park Ave, Babylon, NY 11702

Rotary Club of Babylon

Initiated in August 2006, this highly successful event has become a classic Long Island run. Over 500 runners, including many of the Tri-state region's best, compete on a unique and beautiful trail run from Babylon Village to Belmont Lake State Park and back.

A commendable effort by about 100 village community organizers and volunteers allows Babylon Rotary Foundation to give a substantial contribution to local food pantries each year.

Since its inception, the Dirty Sock Run participation has grown each year.

In 2022, we registered over 500 runners and hosted 100 plus volunteers. With the help of our sponsors and supporters we managed to entertain nearly 570 spectators at the finish line with music, refreshments, raffles, and prizes.

To find out more about the Run, or to register as a runner please visit our website.

RACE LIMITED TO 1000 RUNNERS

All Sponsors have the option to provide promotional materials in the swag bags being distributed to the 1000 anticipated runners. Opportunities exist for anyone interested in presenting product at the race event. For additional details please contact the Race Coordinator.

The Babylon Village Classic IOK Dirty Sock Run, which is part of the USATF Long Island Track and Field Cross Country Series, is more than just a race. Besides giving runners a chance to compete and have fun, the Run raises desperately needed funds for charity, especially local food pantries and soup kitchens through the generosity of sponsors like you. Over the past seventeen years, the Babylon Rotary Club has supplied over \$300,000 in food and pantry donations to the Babylon food pantries and soup kitchens. The Dirty Sock Run is an essential part of the Rotary's efforts to eradicate hunger in our community.
